Leading Women

Release December, 2009

Conventional wisdom on leadership will only take women so far!

With the right leadership skills, the highest levels of career success are well within a woman's reach. But much of conventional wisdom about leadership is outdated, incomplete and ineffective. For women the success equation fails because of

the missing 33%

No Ceiling, No Walls takes a fresh, unblinking look at leadership. It identifies the vital missing piece of the leadership equation, describing the "why" and "what" of leadership with specific, actionable information not found anywhere else.

In this **ASK** Leading Women™ book women will find inspiring, practical solutions; cutting-edge content, ready-to-apply tools, insights from self-assessments and examples from CEOs and executives who act as virtual mentors.
